## MESSAGE

**DR. NORMA FAIR BROWN**

Dear Members of the Graduating Class of 1996:

I usually do not have any trouble writing my message to seniors for the yearbook but this message is one that I wrestled with for a week, trying to find the right words to say to you that will express how much I care about you and want the very best for you as you leave the edifices of this school building. You were in your sophomore year when I arrived at Central High School and I have watched you make the transition as students of *The Renaissance Project* for the second year. Some of you have taken advantage of every opportunity we provided for you and have grown tremendously! I have watched you change from self-centered adolescents to young adults who are ready to face the challenges of the world that await you.

You have earned the right and privilege to be identified as a member of the graduating class of 1996, and I applaud you for your perseverance amid statistics that proclaim that you would not graduate, and for your tenacity in weathering all of the storms and vicissitudes that faced you during your twelve year trek to this moment.

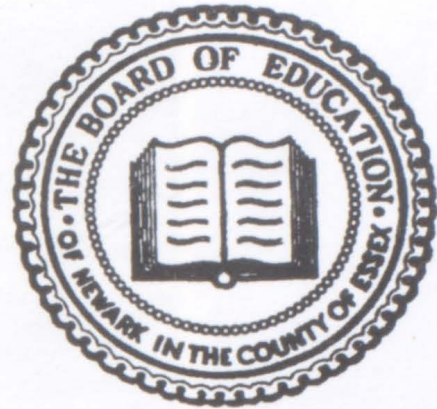

Leave the Lady on the Hill knowing that you have made a difference in our lives, knowing that you can reach any goal that you set for yourself, knowing that you can succeed in anything you choose to do from this moment on, and knowing that there will always be teachers, staff members, administrators, and a principal who will always think well of you and wish the best for you. Go with peace, go with determination, and go with God.

Sincerely yours,

A handwritten signature in cursive script that reads "Dr. Norma Fair Brown".

# SENIOR CLASS OFFICERS

PARIN PATEL - President

Congratulations to the class of 1996! I wish you continued success in all your future endeavors and hope that you look back on your time at Central High School as one of the positive experiences of your life. Without the thoughtful participation of all of you, the wheel which made the Senior class function would not turn. Although we faced many obstacles during the year, at the end we were able to accomplish our goals.

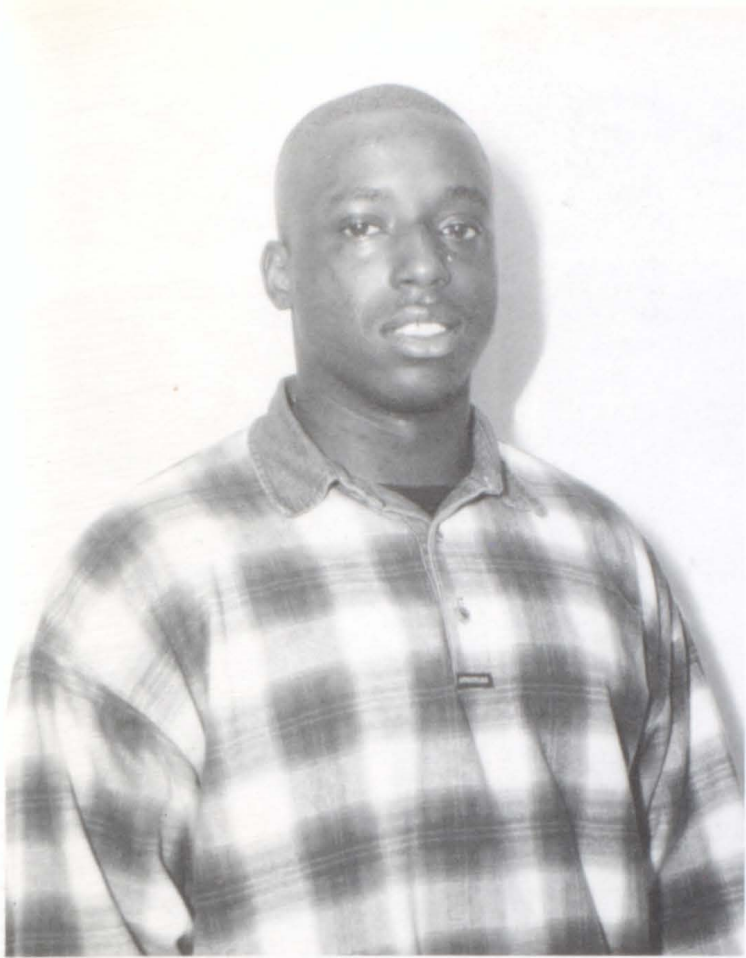

I would like to thank my fellow officers, Raheem Holloway (First Vice-President), Tamona Peynado (Second Vice-president), Alma Santiago (Secretary), Charmaine Walker (Secretary), Terrence Richardson (Treasurer), Aneisha Melvin (Treasurer), Rasheed Sowell, (Parliamentarian). Without their cooperation we would not have been able to complete the senior year successfully.

I would like to remind the graduates of 1996 that you control your own destiny. Don't let anybody navigate your "ship of success" but yourself. Congratulations again to my fellow graduates of the class of 1996. May our dreams and aspirations come true.

Parin Patel,

President  
Class of 1996

Corey A. Bey  
Born 6/20/78 - Died 11/12/95

An Expository Essay About Crime (Corey's last thoughts, done 11/10/95)

It is more open and it seems like less people care about what goes on.

Less people think it effect them, they figure since it's not someone in the immediate family it's not their problem.

I know people who have done sentences for their wrongs, whether they learned from their mistakes or crimes is another thing.

I feel they're not stressing the fact that the government is making it hard for the smallest of offenses so big ones are getting away.

The lack of money and education and patience is a main factor in crimes. At one time, maybe, but not now. They blame a lot of crimes on racism and prejudice. But it's just that people don't feel as though one person should have more than them no matter what their color is.

Drugs have a lot to do with crime. Drugs are there to kill or kill you. So like I said once before no one like to see anyone with more than them and with the inflation people can't afford everything they want, so some people might feel since they live in an urban area thats not so clean or whatever they should be a part of the environment nasty, dirty, unconcerned.

Well my children, this is what your friend and brother had on his mind. Whats on Yours? Do you care about yourself, your family, your home? Please think!

**In Memory of Corey Bey**

Corey holds a special place in all our hearts. Those of you who did not know him, could tell by his many friends that he was loved, and cared for.

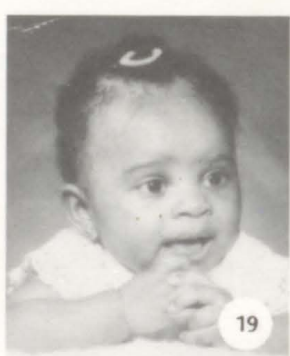

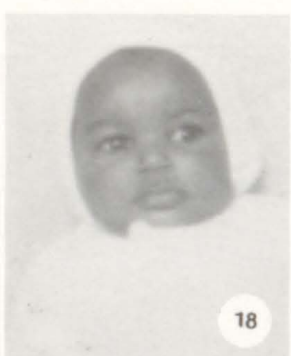

When something so tragic like this happens, it makes you stop, think, and look at all of your friends you speak to, or pass in the hallways and wonder if you will see them there tomorrow.

So I end this by saying we miss you Corey Bey, you will never be forgotten.

# FOOTBALL

Central's Blue Devils Football team started with three impressive victories. In the middle of the season, the Blue Devils experienced injuries to sophomore sensation Saladine Moore. The loss of Saladine hurt the explosive passing game and caused sophomore Arneze Gardener's touchdown production to drop off. The offense was forced to rely on senior linemen Antwan Lindsey, Raheem Holloway, Damon Mitchell, Kiem Lucas and freshman Mike Jones to open holes for the fierce running of Abdul Cherry.

# BOYS BASKETBALL

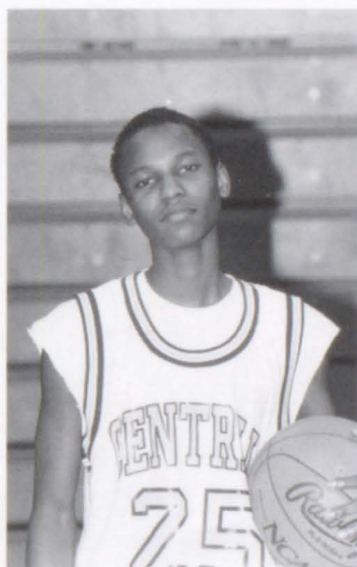

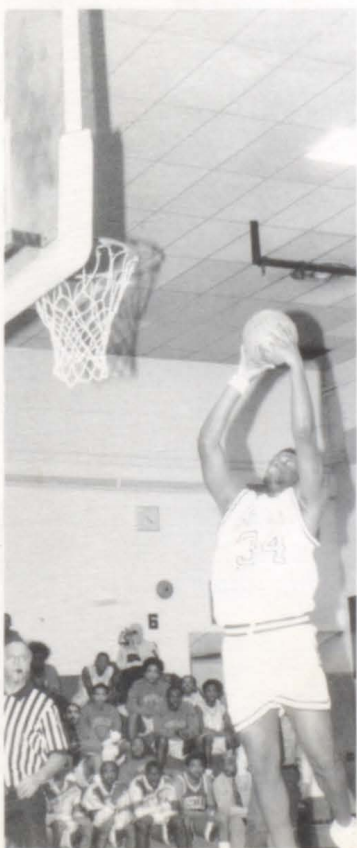

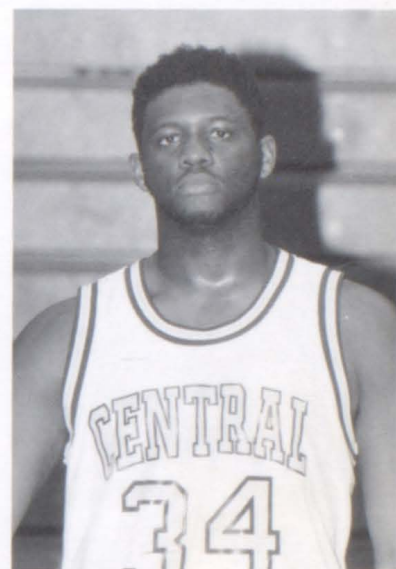

The 95-96 boy's basketball team consisted of seniors Antwan Lindsey, Al Washington, Heath Perry, Luis Cordero, and Shawn Faucette. Juniors Farod James and Faheem Harper. Sophomores Arnez Gardner, Teyonn Murry, Jim Williams, Rajohn Sims, Xavier Cornegie, and Ahmad Peterson. The team also had one freshman, Sal Thompson.

The team was led in scoring and rebounding by our 6-7 center Antwan Lindsey, who averaged 10 pts. per. game and 8 rebounds per outing. Senior Shawn Faucette and sophomore Admad Peterson were next in scoring.

The running of the team was placed in the hands of a very capable freshman. Yes, Sal Thompson, a freshman, started at point guard. Sal who averaged 6 assists a game and made his opponents stand back and take notice did an excellent job with the team. He handled all presses that the other team put in front of him, and has a very bright future ahead of him. This years' sophomores provided a very good nucleus for a strong team for the future.

# GIRLS BASKETBALL

With the dominating presence of Kitchen, Poo and La gone, many on lookers and spectators thought that this would be a long and bleak losing season for the Lady Blue Devils. With the first game of the season coming up as a loss to a push over team, many thought they were right. With snow storms canceling the next two home games, the Lady Blue Devils next played in their first tournament of the season. They convincingly went all the way to the championship game, but lost the game in the last minute of the fourth quarter due to critical mistakes. They were able to have the same accomplishments as their senior predecessors, making it to the Christmas Tournament Championship, Essex County Tournament semifinals, and N.J.S.I.A.A. quarterfinals.

The accomplishments of this year were made possible by the big time offensive play of senior small forward/shooting guard Latisha Brown, junior shooting guard/point guard Aminah Wazeerud-Din, sophomore point guard Desiree Flournoy and sophomore center/power forward Takeemah Sanders. The defensive play was sometimes handled by the offensive players, but defense was the main interest and concentration of senior guard Taheesha Eley. The Lady Blue Devils were lucky to have aggressive rebounders like senior center/power forward Laura Narvaez, sky-hopping sophomore Desiree Flournoy and Takeemah Sanders. The Lady Blue Devils finished this year with a record of 12-9.

# SOCCER

The 1995 Blue Devil Soccer Team experienced a rebuilding year after the graduation of six seniors from the starting team. Central was competitive in each outing, and managed to win 2 games, including the season finale. Mohamed Camera had an outstanding year as team and offensive leader. He was supported at forward by Nicholas Waldeme, who was in his first year of varsity soccer. As the season progressed, the defensive unit, led by Ricardo Dameus, Rony Augustin and Jean Henry Noel, became more cohesive and stronger. The addition of Jores Dumerand, a 1996 returning letterman, and goal keeper solidified the defense. New players, Enoch Kumah, Karl Fenelus, James Manigat, Blaise Baltazar, Louiffrent Altidor and Hassan Haji combined with the versatility and experience of Soualiho Fofana and Jahedul Choudbury, significantly improved the offense at midfield. With the interior play becoming stronger, the Blue Devils had more shots on goal and competed much more effectively with Mountain Valley Conference leaders such as Arthur Johnson, Governor Livingston, Immaculata and Hillside. Unfortunately, two year veteran Soualiho Fofana was injured for the last 4 games.

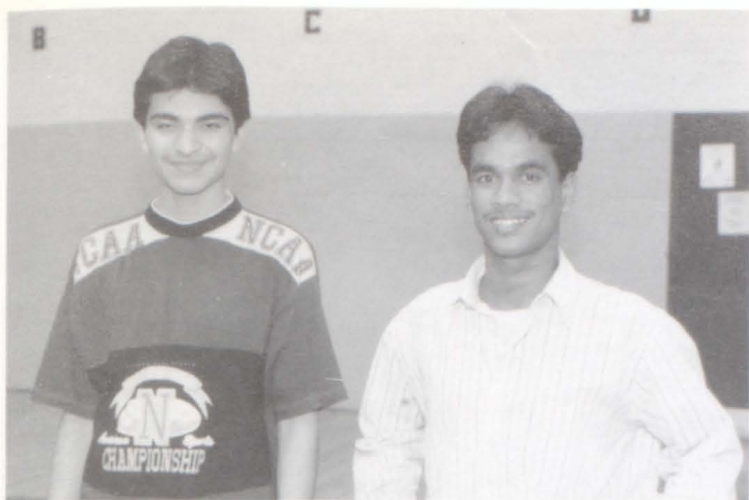

Three players received All Conference recognition. Mohamed Camera and Soualiho Fofana were selected for 2nd Team Honors, with Jean Henry Noel being selected for Honorable Mention. In addition, Mohamed Camera received 2nd Team All Essex County recognition. This represented two consecutive years for Mohamed to be selected for both Conference and County Honors.

A strong nucleus of veterans return for the 1996 season. Led by Soualiho Fofana, Jahedul Choudbury, Jean Henry Noel, Karl Fenelus, Enoch Kumah, Nicholas Waldene, Blaise Baltazar, Hassan Haji, James Manigat and Jores Dumerand, the Blue Devils expect to be much more competitive next season.

Nicholas' skill and speed enabled him to be second leading scorer on the team! Jores Dumerand shows some of his flashy defensive skills as goal keeper. Mohammed was often double and triple teamed by opponents, however, he still led Central High in scoring. Jahedul Choudhury shows superb concentration as he prepares to "head" the ball to a team mate. Jean Henry Noel, junior fullback, played outstanding defense, and earned all conference honorable mention!

# BOWLING

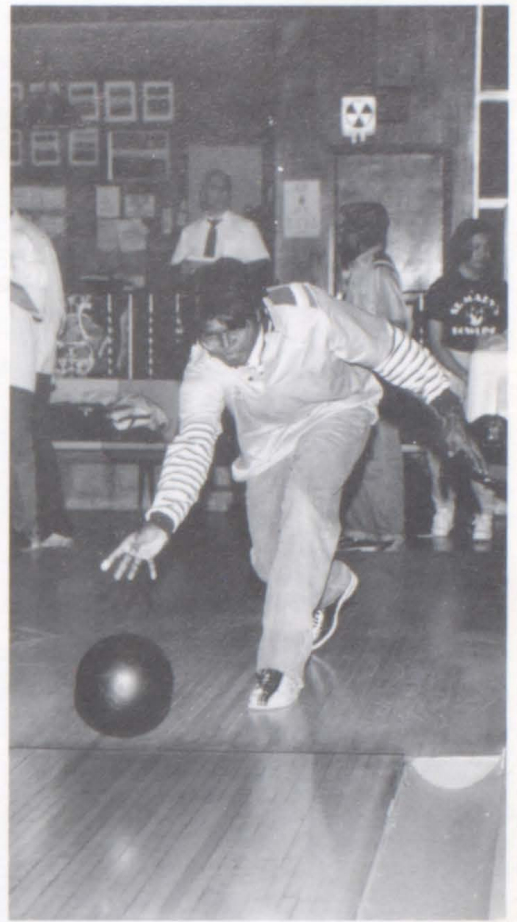

This was another dynamic year for Central's Bowling Team. Every year since the inception of this great team, the players have continued to aspire to higher heights. Over the past five years Central's Blue Devils have become worthy competitors who richly deserve praise and recognition for their achievements. The team observed the guidelines of the competition and participated in the spirit of fair play. All the bowlers maintained positive and open attitudes and performed to the best of their abilities. Our outstanding bowlers for the season were Parin Patel, Bhuvmesh Patel, Yatin Patel, Dayron Williams, Darius Scott, Sandra Rodriguez, Jasmine Quiles, Shahida Smith, Jemar Pullins, and Jesus Guzman.

These bowlers performed very well under the capable leadership of Coach Gregory Stewart. We applaud all of our bowlers who represented Central H.S. in such a positive way. This year they won against Gov. Livingston and St. Mary's. They won against East Side H.S. in the Newark City Championship. Congratulations are due to all. The most valuable bowlers were Bhuvmesh Patel and Parin Patel.

# WRESTLING

Led by hard working senior Raheem Holloway and juniors Elijah Roberson and Carswell Ransome, the Blue Devils were not shut out by any of the teams on the schedule. Our schedule included powerhouses such as Roselle Park, Gov. Livingston and Elizabeth. Raheem Holloway registered six pins this year and finished with a record 7 wins and 2 losses before being afflicted with appendicitis. Raheem placed third in the districts and qualified for the regional tournament last year. The All-Conference football player is an Essex County Athletic Director's Scholar-Athlete, representing Central H.S. The team dedicates this year to Raheem Holloway. Elijah Roberson stepped up to the challenge of leadership by posting a 12 wins and 8 losses record. He placed third in the Watchung Hills Tournament and third in District #10. He qualified for the region #3 Tournament.

# GOLF

Central High School's Golf Team had a year with a lot of close defeats. However, with the return of (3) seniors, Waleed McFadden, Jihad Johnson and Parin Patel we expect to win some of the matches we lost and continue to win those we won in the past. The golf team gained valuable experience playing various golf courses in New Jersey. One of the best experiences was the Cadillac Open Tournament we watched at The Upper Montclair Golf Club.
